The NYSVARA Annual Meeting was held on
Saturday, September 30, 2023 at the Rockland
County Fire Training Center in Pomona, NY with
both in-person and on-line attendees.

The agenda for the day included presentation of
Special Awards honoring a select group of direct
care providers, presentation of scholarship
awards and a Memorial Service.

Due to circumstances that have developed over
recent years, we determined to take a
pause on the full PULSE CHECK Education
Conference this year. The thought is that we
review what the structure and format of any
future conference might take in the new
environment we see developing.
