

## ***Friday May 11 & Saturday May 12, 2007*** ***Gideon Putnam Resort & Spa***

We are very excited to be coordinating and offering a day long event that will provide you with a level of education that we are sure will have you back next year. This all day session is being offered to all levels of care, from the out-of-hospital staff to the in-hospital staff, and will be held at the Gideon Putnam Resort and Spa in Saratoga Springs New York on Friday May 11th, 2007.

We have included vendors, a state of the art facility, food, beverage and a welcoming atmosphere for the perfect learning environment. A multitude of expert speakers from our program will be covering topics ranging from pediatrics, to airway, to obstetrics, toxicology and more. CE's will be issued.

Following a day of interaction and education join us for dinner and take advantage of some discounted room rates at this wonderfully renowned resort.

Don't miss out on Saturday's events! Spend some time in the a.m. with Ed, the METI man simulator; this life-like, full-sized adult computerized manikin is the state-of-the-art trainer in today's healthcare industry. Test yourself with life-like airway management, hemodynamic support or just stand back and poke fun at those that dare-to-dare!

And finally, in the afternoon of Saturday the Aeromedical Crew Education Fund (AMCEF) Committee will be hosting their 3rd annual Golf Tournament to be held at the Saratoga State Spa Golf Course. Walk out the front door of your resort and onto the tees for an 18-hole scramble, consisting of food, beverage, gifts and prizes.
