

**BUREAU OF OPERATIONS
EMS COMMAND ORDER 2007-152**

October 18, 2007

**REMOVAL OF THERAPEUTIC PERCUTANEOUS
CORONARY INTERVENTION CENTERS**

1. GENERAL INFORMATION

- 1.1 The following hospitals have notified the Office of Medical Affairs that they are unable to meet the goals of the program to provide therapeutic Percutaneous Coronary Intervention (PCI).
- ♦ St. Luke's Roosevelt Hospital - Roosevelt Division (H 18)
 - ♦ NY Hospital Medical Center Of Queens (H 31)
- 1.2 Effective immediately, On-Line Medical Control (OLMC) will not grant permission to transport STEMI patients directly to these hospitals.

BY ORDER OF THE CHIEF OF EMS COMMAND
