## Conference Goals

The goal of Nyack Hospital's First Annual Medical Conference is to provide a multidisciplinary approach to the discussion of complex issues and subjects that affect the care of the sick patient. The target audience for the conference includes Nurses, PA's, NP's, Paramedics and other Health Care Professionals. A faculty of well recognized local and national experts in all aspects of medical care will provide the audience with their own unique perspectives on issues dealing with medical care of the adult and pediatric patient including management in the pre-hospital care setting, emergency room through discharge.

### Objectives

1. To review and discuss the principles of adult and pediatric medical management in the pre-hospital environment
2. To review and discuss assessment and treatment of medical patients.
3. To comprehend the differences while caring for a pediatric patient
4. To review the current advances in neurological, cardiac, vascular and pain management

### CEU/CME

#### 13.5 Hours MC CME

Continuing Education Credits for EMT and AEMT from the Hudson Valley Regional will be awarded . Nursing Contact hours will be awarded by NH Staff Development. All Lectures will be attended by HVREMSCO Medical Director for purpose of Med Control Hours and CIC will be present to qualify all hours for core content hours.

Nyack Hospital is an approved provider of continuing nursing education by the New York State Nurses Association, an accredited approval of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned code #.
