ACLS – Advanced Cardiac Life Support - ACLS

This course is open to MD's, DDS's, PA's, RN's, EMT-P's and other allied Healthcare personnel directly involved in the care of cardiac patients.

The course is not intended for persons without EKG or cardiac drug knowledge or experience. It is an intense course involving pre-study, and a working knowledge of lethal arrhythmias and cardiac physiology.

New students should take a basic EKG and cardiac pharmacology class prior to attending an ACLS course.

A current HCP CPR card is not needed as a prerequisite to get into this course. But as a course participant you will be required to demonstrate your BLS skills in the different scenarios in the program. A course participant who does not display satisfactory BLS skills will be asked to arrange a separate BLS training & review session

Course Fee: Original - $280.00 (includes 2006 ACLS provider manual & ECC Handbook)

Renewal - $180.00 (includes 2006 ACLS provider manual & ECC handbook)

Renewal students must pay the course fee and pickup their textbooks and the pretest at least 5 days before the class starts. Renewal students must return their pretest to SIEMT before the first session. They must receive an 80% on the test. If the renewal student fails the pretest he/she must take the full course. A copy of your current card must be submitted with your application.

Location – Lutheran Medical Center, Auditorium, 150 55th St., Brooklyn, NY

The course will be held at following dates and times:

Session 1 - October 1 -- 7:00pm to 10:30pm Only original students need to attend

Session 2 - October 8 -- 7:00pm to 10:30pm – Both original & refresher Students
