

FREE TRAINING AT LaGuardia Community College

The Workforce Education Center (WEC) is offering two free training courses:

(1) PROFESSIONAL PHARMACY TECHNICIAN TRAINING

The course will cover the skills needed to gain employment as a Pharmacy Technician in either the hospital or retail setting. Upon completion you will take the National Professional Certification Exam in Customer Service and Sales as well as the National Certification Exam issued by the Pharmacy Technician Certification Board (also free of charge).

(2) CASH HANDLING/CUSTOMER SERVICE TRAINING

The course will cover the essentials of cash handling and prepares you for a position as a bank teller, cashier, or frontline associate. Upon successful completion of the course, you will take the National Professional Certification Exam in Customer Service and Sales (also at no charge).

Job placement assistance is available.

To participate you must:

- Be eligible to work in the United States
- Either be currently unemployed or low income
- Have at least six months of cashier experience
- Have good math skills

Please call the Workforce Education Center at 718.609.2500 for orientation dates and times.
