December 28, 2009

Dear EMS Provider,

As you all know, New York State will no longer be providing EMS agencies with PCR's. I am in the printing business and will be printing them for my home Corps (Spring Hill Community Ambulance Corps in Spring Valley, NY) in the very near future.

I would be happy to attach smaller orders to my order for Spring Hill and give you the price advantage of a larger order. We expect to place an order on or about January 15th.

You can contact me on my cell phone at 845.558.8648 or at captkayos@aol.com.

Sincerely,

Steve
