Posted at: 05/03/2010 9:00 AM

Police in Syracuse say two 21-year-old men were drunk when they took an ambulance for a joyride.

Authorities say the vehicle was stolen from a parking lot at University Hospital Saturday night. Officers say the ambulance was traveling with its emergency lights on and its siren blaring before the two men ditched the vehicle.

One man is from Maryland and the other is from Westchester County.
