

Health Research, Inc.

Funding Available for Pediatric EMS Training:

- Reimbursement up to \$2999 for training/honorarium on topic of pediatrics; training program must be coordinated with the Regional EMS Program Agency
- Funds obtained through Purchase Order
- Funds may NOT be used for food
- Training program must be conducted by February 29, 2012
- Funding is available for 6-8 training programs
- Send/Email a brief proposal of training to Martha Gohlke. Priority will be given to proposals received by October 31, 2011. After October 31st, proposals will be considered on a first come first serve basis, providing funding is still available.
- Target audience for the training are prehospital providers and/or Emergency Department staff. Preference will be given to programs of least cost while training the largest number of providers.
- Promotional fliers should be sent to Martha Gohlke prior to distribution and should reference funding support from Emergency Medical Services for Children grant award H33MC06724.
- Payment after completion of training program; invoice must be received within 2 weeks of date of program. Send an invoice addressed to Health Research, Inc. (Do NOT use a state voucher for reimbursement)
- All paperwork must be addressed to:
