

Web Development Benefit

(updated March 1, 2008)

As a benefit to current New York State Volunteer Ambulance and Rescue Association members, we have established an agreement with Grey Goose Graphics of Endwell, New York to provide members with discounted web hosting & web design services.

In addition to available custom packages designed to meet the needs of larger agencies and organizations, Grey Goose Graphics offers three exclusive packages for NYSVARA members.

	Individual Domain Name	Internet Hosting	Web Mail Boxes	Home Page	Contact Us Form & Handler	Content Pages	Included Updates*	Yearly Cost **
Gold	Yes	Yes	Up to 50	Yes	Yes	13	Weekly	\$1475
Silver	Yes	Yes	Up to 25	Yes	Yes	8	Monthly	\$985
Bronze	Yes	Yes	Up to 10	Yes	Yes	3	Quarterly	\$480

* Updates are defined as the replacement or modification of current content. While some minor additions are considered updates and included, significant re-design of layouts, expansion of sites, or additional pages are considered development and may result in additional expenses.

All site designs are custom and developed using client supplied graphics and copy ready text. Sites requiring creation of client requested complex custom graphics, FLASH, or other multimedia may incur additional fees which will be defined during the planning stage of your project.

All packages maybe upgraded or custom features added at negotiated rates. Contact John at Grey Goose Graphics for more information.

For additional information about Grey Goose Graphics, or to view their portfolio, please visit their website at www.GreyGooseGraphics.com.

For a no obligation consultation regarding your project, contact John at (607)743-3509.

** Pricing is for the package defined above. All packages require a contract for service and initial deposit of 25% at the time of contract signing. All expenses and specific terms of service are defined in the contract for service.
