Pulse Check 2012

Dear Business Managers, Colleagues, Friends and Patrons:

In conjunction with its 57th Annual Educational Conference, Convention and Trade Show, PULSE CHECK 2012, the New York State Volunteer Ambulance and Rescue Association (NYSVARA) is sponsoring a Souvenir Ad Journal. This year's convention will be

The annual PULSE CHECK conference provides seminars, workshops and educational opportunities to emergency medical personnel, in particular the thousands of selfless volunteer ambulance and rescue squad members who serve hundreds of communities and neighborhoods throughout New York State. It is one of the many services the NYSVA&RA provides to our state's community, volunteer and non-profit EMS services and their members.

The Souvenir Ad Journal will be published to acknowledge the supporters of this vital conference educational service. In addition, it will help support the ongoing work of NYSVARA, which throughout the year assists community volunteer ambulance corps, first responder teams and rescue squads. Your participation toward this would be of great assistance. Hundreds of copies of the journal will be distributed to volunteer squads and their members from around the state.

Please accept our sincere appreciation for your kind support and generosity.

Sincerely,

**Chair
Journal Committee
