**Format for Pro / Con Debates:**
- Pre-debate audience polling – 3 minutes
- "Pro" Comments – 10 minutes
- "Con" Comments – 10 minutes
- Audience Questions – 3 minutes
- Post-debated audience polling – 3 minutes
Statement of Need: With the increasing amount of controversial issues in the management of common injury patterns, there is a need for evidenced-based data and expert opinion in appropriate trauma care. This symposium will present a variety of these controversial issues in a debate format. This information will help guide healthcare providers to make informed decisions.

Program Objectives: All Northwell Health CME activities are designed to improve patient care, safety and outcomes. At the conclusion of this conference, participants should be able to:

- **Discuss** the risks and benefits of the use of Massive Transfusion Protocols and platelet transfusions in trauma patients
- **Explain** the risks and benefits of the use of decompressive craniectomy and ICP monitoring in trauma patients
- **Review** the risks and benefits pre-hospital spinal immobilization and pre-hospital airway control in trauma patients.

Target Audience: Physicians, Nurse Practitioners, Physician Assistants, Registered Nurses, and Emergency Medical Technicians.

CME Accreditation: Northwell Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: Northwell Health designates this live educational activity for a maximum of **8 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure Policy Information: Northwell Health relies upon faculty participation in its contact hour programs to provide education information that is objective and as free of bias as possible. In this spirit, and in accordance with the guidelines of the program sponsor, faculty participants are expected to indicate any commerce relationship that might be perceived as a real or apparent conflict of interest.
Faculty Disclosure Policy: Northwell Health adheres to the ACCME’s Standards for Commercial Support. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with commercial interests. All relevant conflicts of interest will be resolved prior to the commencement of the activity.

Location: Hofstra North Shore-LIJ School of Medicine, 500 Hofstra University, Hempstead, NY 11549. Parking is available in lot adjacent to medical school.

Registration Fee: Registration fee includes continental breakfast, break, lunch, workshops, course materials and CME transcripts.
