Take a Deep Breath
The exquisite wonder of Gas Exchange

Take a deep breath, unless you have COPD, asthma, a puncture wound, heart failure, emphysema, a panic attack, an embolism, allergic reaction... Please join Caroline Osborn EMT-P, CIC as she reviews the basics of breathing and all the things that can go wrong that could impede that process...

This course may be applied toward Respiratory or Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.
