TRAINING ANNOUNCEMENT

Issued: November 25, 2015

Announcement #: 15-172E

Emergency Childbirth
Resuscitation and Stabilization of the Newborn

Course Description:

Under normal conditions, the arrival of a child can be a joyous occasion welcomed by all involved. The pre-hospital environment may not represent the ideal location for a delivery, but in most cases, it is still a happy event.

Please join Brett Roberts, EMT-B/CIC as he discusses the care of the obstetrical patient before, during and after childbirth, care of the newborn, and some abnormal delivery emergencies.

This course may be applied toward Special Patient Populations Core (OB, Neonate, Pediatric) or General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.

Date(s) / Time(s): Friday, December 18th, 2015 10am to 12pm

Targeted Audience: All First Responders

Program Location: Westchester County Department of Emergency Services Training Center
4 Dana Road, Valhalla, NY 10595

Program Cost: None

Registration:
- Pre-registration is mandatory. Walk-ins are not permitted. Class size is limited.
- Sign-up through training.westchestergov.com (you must create an account first)
- Please refer all related questions for this class to Nyle Salley, EMS Division Westchester County Department of Emergency Services
(914) 231-1495 or email nas5@westchestergov.com

All students are to park in the lot adjacent to the Support Services Building at 35 Walker Rd.
(There is a stairway linking the parking lot directly to the training campus)
