North Shore-LIJ CEMS is pleased to collaborate with NAEMT to be the first agency in New York to offer the new Principles of Ethics and Personal Leadership (PEPL) program.

The course will be three days long. Day one and two will consist of the provider course and day three the instructor/facilitator course.

The intent of this course is to introduce the new curriculum and train instructors so the course can be taught throughout the region along with NAEMT’s current offerings of PHTLS, AMLS, EMS Safety, EPC, GEMS and TCCC.

Course Schedule
Day 1: Provider Course
- Introduction
- Personal Responsibilities for Ethics in Mobile Healthcare
- Service Beyond Self

Day 2: Provider Course
- Personal and Professional Values and Beliefs
- Ambassadorship in Mobile Healthcare Services
- Course Summary and Evaluation

Day 3: Instructor/Facilitator Course
- Administration of program
- Philosophy and purpose
- Adult interactive education
- Tour of the facilitator guide
- Review of reflection activities
- Teach-back exercises

Course Goal
To facilitate awareness and development of skill sets for the effective exercise of ethics and personal leadership

Course Objectives
- Understand personal responsibilities in ethical decision making and the exercise of ethical leadership
- Explain the concept of service beyond self
- Identify personal and professional values and beliefs
- Explain methods of effective conflict resolution in EMS and Mobile Healthcare
- Define the concept of ambassadorship in EMS and Mobile Healthcare
- Relate written and video case studies to the exercise of personal, ethical servant leadership in EMS and Mobile Healthcare
