Purpose & Intended Audience

The purpose of this program is to provide pre-hospital providers with a venue to improve their knowledge-base of the EMS profession and the ever-changing treatment protocols.

The intended audience are Emergency Service and pre-hospital healthcare providers, as well as Emergency Room personnel.

Program Objectives & Information

This program will provide:

1. Advanced care in the field - doctors, helicopters and critical care paramedics
2. AHA Mission Lifeline from the REMO Region
3. Columbia County 911 STEMI/CVA Transport Protocols
4. Evaluation and Treatment of Geriatric Population
5. Diabetic Emergencies
6. The Future of EMS policies and care

Special thanks to the
Greene County 911 Center
