TRAINING ANNOUNCEMENT

27 May 2016  Announcement #: 16-107OEM

Radiological Emergency Preparedness (REP) for Fire and EMS Personnel

Thursday, June 16, 2016
1900-2200hrs

Description: Students attending this course will receive an overview of the Westchester County Radiological Emergency Response Plan for the Indian Point Nuclear Power Plant. Fire and EMS personnel will learn about the equipment available to first responders and how to protect themselves when responding to an emergency involving radioactive material.

Topics include:
- Nuclear Power Plant Operations Overview
- Radiation Basics
- Emergency Planning Overview for Emergency Workers
- Emergency Worker Radiation Exposure Control

This course may be applied toward WMD or General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.

Target Audience: Emergency Services Personnel / First Responders

Program Cost: -none-

Registration: Pre-registration is mandatory. Walk-ins are not permitted. Class size is limited. Sign-up at http://training.westchestergov.com

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the Support Services Building located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.)
