Marie Diglio, NYC REMSCO advises that if you need an Update fast, you can use any three (3) of the AHA INSTRUCTOR Updates available on-line. Each discipline (BCLS, ACLS, PALS, & PEP) will earn you 2 hours from NYS DOH towards your instructor recertification.

There is also an instructor course from NAEMT that NYS DOH accept in place of an Instructor Update – but you can only use this ONE TIME. Here is the link:
