Rapid Refresher Candidate Instructions

Applicants whose certification expires prior to the NYS Written Certification Examination date, scheduled for that particular Rapid Refresher course, are not eligible to be admitted to the Rapid Recertification Program and must take a traditional recertification course.

At the time of application to the course, the AEMT must be providing care at their current AEMT certification level and is in good standing within the region they provide that care in, at the AEMT certification level being sought to recertify. The AEMT will be currently “online” and able to provide care within their region through approval of their Regional Emergency Medical Service Council.
