Water Rescue - Awareness Level

This is a 4 hour course being held on the following date:

February 8th from 18:30 to 22:30 hours

Description: This course provides an overview of water safety and rescue issues including: hazard assessment, responder safety, risk management, hypothermia, near-drowning, basic water search techniques, basic shore-based rescue techniques, incident management issues, and water rescue equipment.

Target audience: All emergency response personnel involved in water rescue emergencies.

Prerequisites: None

Registration: Pre-registration is mandatory. WALK-INS ARE NOT PERMITTED. To register go to https://training.westchestergov.com/training/login.do. Class size is limited to Thirty (30) students.

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the Support Services Building located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.

Check out our Website at http://emergencyservices.westchestergov.com/ for the most current information on training.
