12 Lead EKG’s, an advanced workshop for EMS Providers

Presented by: John Bray, MA, NRP, CCEMTP

Mr. Bray has been active in emergency medical services since 1986, starting with New York City EMS, and was a member of the New York - Presbyterian Hospital's High Risk Neonatal Transport Team from 1995-2004. John served as Director of the Institute of Emergency Care at Saint Vincent’s Hospital-Manhattan from 2004 until the hospital closure in 2010. He currently serves as Assistant Professor and Paramedic Program Coordinator at Indian River State College in Fort Pierce, Florida and is a regular presenter at CCEMTP programs at UMBC, as well as New York, Chicago and Hawaii.

John is a contributing author for the Jones & Bartlett CCEMTP textbook, as well as guest columnist for EMS World and Fire Engineering magazines. He holds a Master's Degree in Public Safety from Pace University. He currently resides in Port Saint Lucie, Florida with his wife Gwen.
