Training Announcement

Issued: February 28, 2018
Announcement #: 18-58E

Patients w/ Special Challenges/ Acute Intervention for Chronic Patients (ALS Core)

As First Responders we have an obligation to assist the public during an emergency. In performing our duty we may encounter patients with challenges, which may require special assistance. Join Guy Peffer, EMT-P, CIC/RF, and Ann Chiappetta M.S. in a facilitated discussion about various scenarios that may require us to think outside the box when dealing with special needs patients.

This course may be applied toward Preparatory, Patient Assessment, or Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.
