Valhalla VAC is bringing you Prehospital Trauma Life Support training. Come and join us for an entertaining 16 hours while we show you in a fun and creative way how to use your critical thinking skills for PHTLS. This interactive and hands on training will give you the confidence you are seeking to treat those trauma patients! In addition to scenarios, there are many other hands-on opportunities. Practice skills you may not have used recently. **You don't want to miss this opportunity.**
