HYPOTHERMIA: Keeping Your Cool When Treating Your Patients

Presented by:
Joseph Zito, MD, MHA, EMT-P, FACEP
Dr. Zito is the EMS Director at Long Island Medical Center as well as a Paramedic and Medical Director for a number of Long Island EMS agencies.

Robert Lee Fink, M.S., EMT-P
David Brenner, M.S., EMT-P, CIC
Robert Fink and David Brenner are well known to Suffolk County EMS agencies as leading instructors and lecturers on a wide range of EMS topics.

Come and learn how to treat patients who have been exposed to the elements this winter season.

Please RSVP by December 9
