Airway Management
BLS Core CME

Airway is the beginning of the initial assessment, but it is not only important to whether someone is breathing, but that they are breathing adequately. Join Guy Singer EMT, RRT, NHDP-BC as he discusses ways to maintain your patient’s airway and provide ventilation assistance.

These classes may be applied towards BLS Core or Elective under the NY State DOH EMS CME Recertification Program

Date(s) / Time(s): Thursday, December 27, 2018 7:00pm-10:00pm
