Creating Order Out of Chaos
Northwell Health’s Third Annual Trauma Symposium

Saturday, February 10, 2018
Donald and Barbara Zucker School of Medicine at Hofstra/Northwell
500 Hofstra Boulevard
Hempstead, NY 11549

Designated 5.25 AMA PRA Category 1 Credits™
3.75 CNE Contact Hours
5 hours non-core EMS credits

A CME conference designated for physicians, advanced practice providers, registered nurses, emergency medical technicians, and other members of the healthcare team.

Sponsored by Northwell Health Trauma Institute
Funding provided by LIJMC Medical Staff Society
Statement of need
With the ever changing nature of trauma care, medical knowledge and evidence concerning the management of the critically ill patient and mass casualty incidents are constantly evolving. This CME activity will center on areas of uncertainty and clarify any confusion relating to the care of trauma patients. Controversial issues will be addressed during didactic lecture and workshop segments. This information will help to guide healthcare providers in making better informed decisions. This multidisciplinary program aims to improve the knowledge, competence and performance of our healthcare providers by focusing on pre-hospital care, use of REBOA in the trauma setting, preparation for mass casualty incidents, and highlighting the importance of treating wounds and burns.

Program objectives
All Northwell Health CME activities are designed to improve patient care, safety and outcomes. At the conclusion of this conference, participants should be able to:

- Analyze the latest advances in the management of mass casualty events
- Discuss the multidisciplinary management needed to successfully handle an MCI event
- Distinguish the risks and benefits in the use of the REBOA for patients that have severe injuries that range from the following areas: chest, abdomen, and pelvic area
- Explain specific trauma scenarios where the REBOA will be the primary method to use as opposed to other hemorrhage methods
- Evaluate the latest evidence-based methods for wound management in the pre-hospital and hospital setting
- Perform wound management in practice settings utilizing strategies demonstrated by wound experts

Target audience
Trauma/critical care physicians, physician assistants, nurse practitioners, registered nurses, EMTs and pre-hospital care providers.
CME accreditation
Northwell Health is accredited by the Accreditation Council for Continuing Medical Education to provide Continuing Medical Education for Physicians.

Credit designation
Northwell Health designates this live educational activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing education credits
The Northwell Health Institute for Nursing is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Provider # NYP251-11/16-19-104

To earn a contact hour certificate, participants must stay for the entire presentation, then complete and submit an evaluation form. Accredited status does not imply endorsement by NJSNA, Northwell Health or ANCC of any commercial products or services.

Verification of attendance
Will be provided to all professionals.

Location
Donald and Barbara Zucker School of Medicine at Hofstra/Northwell
500 Hofstra Boulevard
Hempstead, NY 11549
