Ferry: Special 5:30pm SHARP ferry departing from Sayville Ferry Service, 41 River Road, Sayville NY. There is no fee for the ferry if you are registered for this class. Return ferry will be the regular scheduled ferry departing at 9:00pm SHARP. Ferry service has been donated by the Sayville Ferry Service for all CME participants.

Parking: Parking is available free of charge in the paid lot for attendees. Please plan to arrive early for parking. Please car pool if possible, parking is limited. There is no fee for the parking if you are registered for this class. Parking has been donated by the Community Ambulance Company for all CME participants.

Dinner: Pizza to be provided by Community Ambulance Company prior to the CME and “Ice Creme” during the lecture.

Additional Information:

* 2.5 HOURS EMS NON-CORE CME APPROVED. ANYONE WHO RSVP AND IS A NO SHOW WILL BE RESTRICTED FROM TAKING FUTURE COMMUNITY AMBULANCE CLASSES OR CME.

* We will be utilizing Poll Everywhere during the presentation. Poll Everywhere transforms one-sided presentations into two-way conversations with the audience. We have embed interactive activities directly into the presentation. The audience responds via SMS texting on their phones. The goal is to engage the audience in real time.

* If you are coming from Fire Island plan to arrive early, class may physically start earlier then stated above.

* CME sheets will be provided at the end of the lecture.

* Those attending will be checked in at the Sayville ferry terminal to ensure RSVP into the class and at the lecture location. Anyone who did not RSVP will not be allowed onto the ferry.

* Please share on your agency and private social media platforms.

* Any questions relating to the lecture should be directed to Jamie Atkinson via email at secretary@communityamb.org.
