Specializing in Cardiac Nursing for almost 14 years, Jillian has worked with LVAD patients since the inception of Stony Brook University Hospital’s program inception in 2010. She became an LVAD Coordinator February of 2016.

LVAD- Left Ventricular Assistive Device

This 1 hour lecture will provide information about what LVADs are. At the end of this lecture, the providers attending this lecture will understand...

LVADS..... Why we use them
What to do and...
What NOT to do when treating and transporting these patients
