"Recognizing Human Trafficking - Separating the Victim and the Trafficker"

Date: March 6, 2019  
Time: 7:00 PM - 9:00 PM  
Instructor: Detective James Johnson, Suffolk County Police Department, Human Trafficking Investigations Unit, Kidnap Investigations Team

Northwell Health - Southside Hospital is partnering with the Human Trafficking Investigations Unit of the Suffolk County Police to offer the below lecture on how to recognize human trafficking. Often first responders, medical and public safety workers come in contact with possible or potential victims of human trafficking during the course of their duties. This lecture will highlight on potential red flags and indicators of human trafficking to help you recognize the signs, how to identify victims of the human sex trade, child trafficking of runaway and homeless youth, reporting/investigation methods and some case studies.

Location: Northwell Health - Southside Hospital - 301 East Main Street, Bay Shore. Boardrooms 1 & 2 (First Floor)
