Medical Examiner Case Studies "Identifying the Unidentified"
Date: February 6, 2019
Time: 7:00 PM - 9:00 PM
Instructor: Dr. Ruth E. Kohlmeier, Deputy Medical Examiner,
Suffolk County Office of the Medical Examiner

Northwell Health - Southside Hospital will be partnering with the
Suffolk County Office of the Medical Examiner in providing the
below lecture for the month of February. This lecture will give a
very interesting overview on how individuals are identified and
share the various forensic specialties involved including, dental,
anthropology, and DNA, as well as several case studies.

Location: Northwell Health - Southside Hospital - Boardrooms 1 &
2 (First Floor)

* 2 Hours Non-Core EMS CME offered (under Medical)

* Arrive early for parking and registration

* Dinner will be provided

* RSVP required through Eventbrite link at
https://scme.eventbrite.com/

This will be a popular training so only sign up if you can confirm
attendance. Seating is limited.
