SVAC is offering an AEMT course which prepares individuals as Advanced Emergency Medical Technicians in career and volunteer positions.

You must maintain your valid New York State EMT certification during the entire program.

The Advanced Emergency Medical Technician (AEMT) Course is a comprehensive program consisting of both classroom (didactic), skills lab, clinical (hospital observation) and field (ambulance observation) components. This course adheres to the National EMS Education Standards which are based on the National EMS Core Content and the National EMS Scope of Practice.

Teaching-learning methods in this course may include, but are not limited to, online lectures, assigned readings, classroom presentations, discussion, critical thinking exercises, labs, and class activities. Evaluation procedures include quizzes, written examinations, assignments, and psychomotor skill assessments.

The AEMT class starts on February 4th and meets Mondays and Wednesdays from 6:30pm - 10:00pm and some Saturdays 9:00am – 4:00pm. The course final exam is Wednesday, July 1st at 6:30pm. Clinical rotations and ambulance ride-alongs will be scheduled for July and August. The NYS Practical Exam is September 14th and the NYS Written Exam is September 19th.

The course fee is $2,000.00. $530.00 may be reimbursable for those who ride with approved EMS agencies. The cost of books and other materials is $515.00.

All training will be held at the Scarsdale Volunteer Ambulance Corps training center at 5 Weaver Street, Scarsdale, NY 10583.
