Ravinder Sidhu, MD and Trooper Higgins will provide information about street drugs in our area.

This lecture will address the following:
- What do they look like?
- How are they mixed and transported?
- How do patients present?
- EMS protocols for drug toxicity and Narcan use

Approved for 2.0 medical control contact hours (HVR & WCR).

Please contact Sharon Frazier at Sharon.Frazier@WMCHealth.org or (845) 483-5289 for more information.
