Announcement #: 19-66F – April 2nd from 19:00 to 22:00 hours

Description: This class covers unusual conditions of Consolidated Edison Gas and Electrical equipment that first responders, fire inspectors, and other building officials have encountered. This class also discusses the tampering of electric and gas equipment as well as theft of service and unsafe conditions. Real life scenarios will be shown where investigators needed to determine if the condition was accidental or criminal.

Target audience: Fire inspectors, fire investigators, and fire response personnel.

Prerequisites: None

Registration: Pre-registration is mandatory. WALK-INS ARE NOT PERMITTED. To register go to https://training.westchestergov.com/training/login.do. Class size is limited to seventy (70) students.

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the Support Services Building located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.

Check out our Website at http://emergencyservices.westchestergov.com/ for the most current information on training.
