3-4 AUGUST 2019
WILDERNESS FIRST AID

LOCATION: THE NATURE INN at BALD EAGLE
201 Warbler Way, Howard PA 16841

Cost: $225 (Some Meals Included)

A little training can save your life!

Are you a hunter, hiker, camper, kayaker, or just someone who is interested in the great outdoors? Then this training is for you! Join us for a fantastic two-day training event!

The Wilderness First Aid (WFA) course will help you prepare for the unexpected. This fast paced, hands-on training is designed to meet the needs of outdoor enthusiasts and individuals working in remote locations. It will introduce you to caring for people who become ill or injured far from any medical care. Classroom lectures and demonstrations are combined with realistic scenarios to bring learning to life! At the end of the course, you’ll have the knowledge, skills and ability to make sound decisions in emergency situations when in the back country.

Breakfast, lunch and drinks are included in the course price!
