Geriatric Education for EMS (GEMS)

Location: Long Island Rescue Services, Inc
Tuesday, June 25 & Wednesday, June 26 6:00PM – 10:30PM
Price: $150 – includes card. Cash, Credit, Department Vouchers

GEMS provides EMS practitioners at all levels with the skills and knowledge to address the unique medical, social, environmental and communications challenges of older adults. Developed by NAEMT, in partnership with the American Geriatrics Society, GEMS empowers EMS practitioners to help improve medical outcomes and quality of life for geriatric patients. GEMS features case-based lectures, live action video, hands-on skill stations, simulation and small group scenarios to fully engage students in the learning experience.

This course is appropriate for EMTs, paramedics, emergency medical responders, nurses, physician assistants and physicians. GEMS is accredited by CAPCE and recognized by NREMT.

Attendees must purchase and bring their own textbook to the first class session.
