If you want to cut corners and are only interested in having an ACLS card in your wallet, our training program is **NOT** for you. **We don’t sell ACLS cards, we sell positive learning experiences.**

The use of American Heart Association materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the Association.

The Suffolk County Department of Health Services, Division of EMS, through its duly executed contract with the American Heart Association as a Training Center, does not charge tuition or collect fees, except for those required by the AHA for course participation and completion.
