WRAP UP, Evaluations

Credit Designation
Albert Einstein College of Medicine designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

6.8 CEUs will be provided
White Plains Hospital is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation

Accreditation
Albert Einstein College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Special Needs (ADA)
If any participant is in need of special accommodations, please email thestrokecenter@wphospital.org

Conflict of Interest
The “Conflict of Interest Disclosure Policy” of the Albert Einstein College of Medicine requires that faculty participating in any CME activity disclose to the audience any relationship (s) with a commercial interest; pharmaceutical or equipment company*. Any presenter whose disclosed relationships prove to create a conflict of interest, with regard to their contribution to the activity, will not be permitted to present.

Albert Einstein College of Medicine also requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device, not yet approved in the United States.

*The ACCME defines a Commercial Interest as an entity producing, marketing, re-selling or distributing health care goods or services consumed by or used on patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interest.

Registration Fees:
White Plains Hospital Employees No charge
Montefiore Staff / Affiliates $100
Non Montefiore Affiliates $125
EMS $50

Registration fee includes breakfast, breaks and lunch.
Conference Director
Boris Chulpayev, MD
Assistant Medical Director: Neurology
Stroke Director
White Plains Hospital

Statement Need
The standard of care for the acute stroke patient continues to evolve with new guidelines and cutting-edge research on different topics such as pre-hospital treatment, neurological endovascular intervention, and post stroke rehabilitation.

Activity Goal
The goal of the symposium is to increase awareness of current stroke practices and new updates to the standard of care guidelines and to improve acute stroke patient outcomes.

Learning Objectives
At the conclusion of the program, participants will be able to:
- Identify early stroke symptoms and initiate treatment.
- Obtain a better understanding in the overall management of the acute stroke patient.
- Improve the delivery of care to the stroke patient.
- Increase the learners knowledge of the new Stroke Standard of Care guidelines.

Intended Audience
This activity is intended for physicians, physician assistants, nurse practitioners, registered nurses, EMS and Physical Therapists involved in the care of the stroke patient.
