East Moriches Community Ambulance Presents:

An in-depth discussion on:

_The Deadliest Mass Shooting in United States History_

_Harvest Music Festival_

_Las Vegas Nevada_

_(Active Shooter Incident, October 2017)_

**Friday November 1st, 2019, 7 pm @ Mastic Fire Department**

Please join us as we welcome Larry Haydu, Assistant Chief Clark County Nevada Fire Department. Chief Haydu was the Deputy Incident Commander during the Las Vegas active shooter incident. **On the night of October 1, 2017, a lone gunman opened fire on a crowd of concertgoers at the Harvest music festival on the Las Vegas Strip in Nevada. He killed 58 people and wounded 422, with the ensuing panic bringing the injury total to 851. The shooter fired more than 1,100 rounds.** On November 1st 2019 at 7 pm at the Mastic Fire Department (1080 Mastic Road, Mastic NY) we will take an in-depth look at the incident as described by a key decision maker on the scene. This active shooter incident is the deadliest mass shooting committed by an individual in the history of the United States. Chief Haydu will take us through the department’s active shooter plan prior to the incident, split second decisions made during the incident, and a lessons learned segment. The on-scene incident command structure as well as the handling of victims will be covered. We will be given a behind the scenes glimpse of this incident from the initial dispatch until the last emergency vehicle left the scene. This will help us to prepare if this ever happens in our community.

Light Refreshments will be served.

*Early Registration Highly Recommended.*

**Price per Person:** $ 60.00  

**Department Vouchers accepted day of event**
