Traffic Incident Management System

Where: Bainbridge Fire Department
When: Mon. 11/04 & Mon. 11/18 at 18:00 hrs.
Instructor: NYS Fire Instructor Jerry Parry

Pre-Registration is required by visiting our web page at www.chenangofireems.com and clicking on the training icon.

Description: Students learn the purpose of a planned and coordinated multi-disciplinary process to detect, respond to, and clear traffic incidents so that traffic flow may be restored as safely and quickly as possible. TIMS is a coordinated process that involves a number of public and private sector partners.

Designed For: Fire service personnel
Course Length: 8 hours
