The Suffolk County Office of the Medical Examiner presents

“CSI for Realists – 2nd edition!”

When: November 6 - November 7, 2019  
(Wednesday-Thursday 9AM - 4PM)

Where: H. Lee Dennison Bldg., 100 Veterans Memorial Hwy.,  
Hauppauge, NY, 11788 Media Room #184

Conference Description and Synopsis: This 2-day course covers fundamental topics of forensic science and pathology, including medico legal death investigation, scientific analysis of physical evidence, and special topics that are particularly relevant and problematic, such as the principles of motor vehicle collision reconstruction, an update on the opioid epidemic and the potential implications of the new marijuana laws on the forensic laboratory, and the investigative approach to missing and unidentified persons.

Target Audience: The course is designed to provide basic and refresher training for medico legal death investigators, medical examiners, law enforcement officers, crime scene investigators, and emergency medical service (EMS) providers. There are no prerequisites required for attendance.

Cost: $200/person for entire conference (includes continental breakfast and bottled water during breaks)

Contact: Virginia Falcone
