Reporting Volunteer Labor for the Medicare Ground Ambulance Data Collection System

Thursday, February 20, 2020 from 2:00 PM to 3:00 PM ET

Target Audience: Ground ambulance organizations that use volunteer labor and ambulance stakeholders.

Effective January 1, 2020 and continuing through 2024, ground ambulance providers and suppliers that have been selected to participate in the Medicare Ground Ambulance Data Collection System must collect information on cost, utilization, revenue, and other service characteristics in accordance with the Medicare Ground Ambulance Data Collection Instrument for a continuous 12-month period.

During this call, learn how to report volunteer labor in the new Ground Ambulance Data Collection system.
