Dr. Christopher Galton started his EMS career at Penn. State Univ. Ambulance Ser. In 1995 followed by Paramedic School at the CEM in Pittsburgh PA. He then went west to Denver Col. Where he worked as a Paramedic for several years. Chris then went to Medical school at the Univ. of Col. He is currently a Transplant Anesthesiologist and a Critical Care Physician at the Univ. of Rochester Medical Center. He is also an Assistant Professor within the departments of Anesthesiology and Emergency Medicine. He continues to practice in the field as a Flight Paramedic and is the Medical Director for Mercy Flight Central. When he is not flying Dr. Galton is also the Deputy EMS Director in Monroe County NY.

Kelly Grayson has been a Critical Care Paramedic and EMS Instructor for over 25 yrs. He has taught and administered all levels of EMS from First Responder to Paramedic. Kelly is President of the Louisiana Assoc. of EMS Educators and a board member of the LA Assoc of Nationally Registered EMTs. He currently works as a Critical Care Paramedic for Acadian Ambulance in southwest LA. Kelly is the Founder and owner of Medic Training Solutions. He is also an award winning columnist for EMS 1.com and EMS World Magazine. He has published two books “Enroute” and “On Scene” which are available from Amazon and book sellers nation wide.

Mr. Paul Barter FNP, EMT-P, NYS CIC currently serves as the Jefferson County EMS Director. He has a diverse medical and EMS background. As a Critical Care Registered Nurse, Paul’s experience included Coronary Care, Intensive Care, Level One Trauma Center and Aprehospital Flight Nurse/Paramedic. He worked for 26 years as a Nurse Practitioner of which 16 years in Cardiology and 10 years in Family Practice. Paul’s EMS career started in 1977 when he became a NREMT-I. He has been a Paramedic since 1992 and an EMS Educator since 1985, including being the Senior Paramedic Instructor at Jefferson Community College for 16 years. Paul continues to Volunteer as a Paramedic for the South Jefferson Rescue Squad where he just completed 25 years of membership.

Dr. Tiffany Bombard enjoyed a long career in the EMS profession before going to medical school, working as a Paramedic in both urban and rural systems. She is now an Emergency Physician and EMS Medical Director in Plattsburgh, NY, EMS Director for Champlain Valley Physicians Hospital Emergency Department and Medical Director for Plattsburgh City Fire Dept. and for Elizabethtown Community Hospital Paramedic Program.

Dr. Marley Barduhn has been an EMT and Paramedic for over 40 years. Trained in Child and Family Counseling and Clinical Hypnosis, Marley was the founding Clinical Director of AMR’s CNY’s Critical Incident Stress Management Program, Where she currently practices. Marley is a graduate of SUNY’s Leadership Institute and has focused much of her time on developing EMS Peer Support networks and Supervisory training. Her focus as a Professor at SUNY Cortland was wellness and health promotion. Marley’s research has focused on Post Traumatic Stress among Emergency Responders. Her Postdoctoral Fellowship research work was at the US Centers for Disease Control in Atlanta Ga.
